The Premises:

A very discrete entrance at the end of a car park near a main road. Parking is not a problem as you can park right outside the door as it is off the street.

A basic reception and there is no protection from seeing other punters there, if that bothers you. Once inside there is a security camera and a screen showing all the different camera views.

The Lady:

Described as a truly sensational experience each and every time with this lady. She is in her late 20's pretty cute little blonde with big blue eyes, Amy-Chloe has a gorgeous little figure a dress size 8 her slender toned little fit body is in perfect proportion with her cute girl like 32b bust.

This is all true except she is a little older than 29. Her experience more than makes up for it.

The Story:

After a wait which seemed to take forever, I nealry fell asleep!! A soft massage which was mostly a tickle along with her jangly beady bracelets.

The massage wasn't the best I had but the show had not even started yet. She decided I had, had enough of a massage and proceded to strip off. She was like a coiled spring and just mounted the bed and sat on my face for me to lap up her lovely pussy, - this was just amazing.

She then insisted I use her vibrator on her while she deep throatd me, I can still hear her gagging on my cock. This lasted a good 10 minutes and she made sure I didn't shoot too quickly. She then lowered herself down for the reverse cowgirl position and took my full length inside of her. A bit of doggy, then a bit of mish and finished off spunking all over her tits (her request not mine). I then went for a shared shower. All throughout there was plenty of kissing and it was an extremely erotic porn star sex

This has go to be one of the best punts I have ever experinced I wouldnt be able to recommend her enough.

I will just have to see her again.
