The Story:

Abbie opened the door to reveal a stunning body dressed only in very sexy underwear. Paid over the fee and declined offer of drink as I wanted to get straight down to business. I undid her bra and caressed her nipples which were very responsive while at the same time kissing her shoulders and spine before running my hand down to feel her pussy. This was already wet. Abbie then took down my underwear and soon had my cock hard and in her mouth. A very satisfying blow job which almost had me coming straight away. I repaid the compliment by giving her pussy and clit a long suck and lick. It tasted wonderful and she was soon making clear by her sounds of pleasure how much she was enjoying. There followed short bout of 69 before I told her I was desperate to fuck her. Good she replied just what I want. On with the condom and began with Abbie on top. Very hot and tight her cream was soon covering my cock. Asked her if she wanted to taste her cream and she quickly sucked me and cream off before a bout of missionary. Next came doggy which was even better. Abbie told me that I felt good inside her to which I replied that she felt wonderful. More cowgirl and doggy before Abbie wanked me off over her wonderful tits. I then took up her offer of a drink.

An excellent punt Abbie is very responsive and clearly enjoys sex. I shall make every effort to return as soon as possible.
