The Premises:

Very pleasant one bedroom flat in a well known block in Bayswater - she has recently moved from her old shared flat. Clean, reasonably spacious, bath (for those wanting a shared bath - highly recommended!) and with a range of alcoholic and non alcoholic drinks on the table / in the fridge.

The Lady:

While I couldn't honestly describe Maylo as stunning, she is one of the sexiest Thai escorts I have met. Pretty face, big smile, firm bum are my highlights. 2 tattoos on her back. Her hair colour changes - dark brown on this visit, black when I met her last year, blonde in her photos.

The Story:

No question, Maylo is my favourite Thai escort in London at the moment as she is so different from the identikit 'reasonably pretty but average service' Thai ladies who seem to have taken over the market in the last 2-3 years.

Her personality is big and bold - she is genuinely funny, teases me relentlessly but has a delightfully soft and gentle side to her as well. I find it impossible not to smile when I think about her after each meeting. BTW her English is fluent.

Her services are impeccable and, unlike other Thai escorts I have met over the last couple of years, she maintains eye contact throughout. She is passionate and totally committed to both her own and your enjoyment of the meeting.

Overall, quite wonderful. Our 4th meeting will happen soon....that is a promise Maylo!
