The Premises:

Central Milton Keynes flat, very high standards when it comes to hygiene, the room I was in was beautifully decorated and was warm and cosy... I felt very safe and welcomed.

The Lady:

As the previous field report states, she has a slight resemblance to Kate Lawler "if your sad enough to know Kate lawler is". Sally is simply stunning and her on-line pictures do not show how gorgeous she is. I am glad she does not have the personality of kate lawler she is far more intelligent and just an amazing GFE.

The Story:

Sally is an absolute professional and a natural when it comes to dealing with people, she is friendly, wonderfully engaging and has an easy going intuitive way about her. I automatically felt at ease with her and my apprehensions were diminished instantly.

I wanted to try something different and because of her easing going nature, I told her some of the things I really like... she took the reins and knew exactly what I wanted...We did O.W.O, kissing and plenty of touching each other up...I opted not to have full sex as I didn't want to engage that, instead I wanted a kinky encounter where I hope both of us enjoyed.

You won't be able to find a better gfe or lady in general than Sally.

I will be back, If Sally is reading this report, this is the code word that you would hopefully remember me by.... "Kandy"... wink wink
