The Premises:

Terraced house in quiet location opposite Debenhams. Shown to room by girl that opened the door, room was basic but clean, however when Lara turned up she moved us to a better room.

The Lady:

Simply stunning! The pictures on the website are accurate except she is probably not quite as slim, but a fantastic figure anyway! Beautiful face, nice boobs and a butt to die for!

The Story:

Started with DFK standing while my hands roamed her silky smooth body, Lara expertly removed most of my clothes occasionally turning around to rub her ample, South American, butt against my growing erection.

Moving to the bed we were both naked except for Lara's tiny thong, more DFK then, with Lara on her back I took the opportunity to suck on her very stiff nipples eventually moving down between her legs. Removing her tiny thong to reveal a very neat, shaven pussy, I must have spent a good 15 mins sucking and licking her sweet pussy, lots of moaning and encouragement from Lara helped.

A little more DFK then it was my turn, Lara's oral techniques are worth the full asking on their own, lots of sloppy slurping, shaft licking, ball sucking and some very enjoyable rimming which nearly had me exploding! At my request we moved into a 69 with Lara on top, the vision of that clean shaven pussy and amazing arse inches from my face is something I will remember for a very long time! Lara has the tightest little rosebud you will ever see, which got some serious attention from my tongue.. my personal favourite!

After a good 10 minutes of heaven it was time for some doggy, lots of appreciative moaning from Lara as I rammed against that firm and peach arse.

Pulling out to finish off, I couldn't resist the opportunity with Lara's perfect butt sticking in the air to probe both those sweet holes.

Lara eventually finished me off with her hand all over her boobs and neck.. simply magic!

Thoroughly recommended. Will be visiting again without a doubt!
