The Premises:

Reasonable area, nice enough place

The Lady:

Lucy was as expected from photo gallery. Mature figure with big tits and nipples as advertised

The Story:

Session started well, with a reasonable massage. She then tried to close the session with a fairly ordinary tit-wank, but I wanted some proper sex. She resisted oral sex, both giving and receiving, and basically resisted any attempts to engage in anything. She put her hand on my cock so that I could only get the head in. At that point I got up and left.
She advertises all sorts, especially her great nipples, but she was reluctant to let me suck them. I couldn't even get a half-decent basic shag out of her

Service Provider's Rebuttal

The lady writes:

I think this site is great but it can be abused and girls can suffer from bad reports written unfairly.
I actually love my work and am always willing to please and be pleased,I have met some lovely guys through this work.
This report was written by a man who was rough with me from the start and becoming increasingly violent,I was VERY concerned for my safety and needed him to leave ASAP.
Girls please be warned
