The Story:

On my way to the airport so opted for a 15 minute quicky. Stacy was back in the room before I'd got my shirt off. Had a quick rub on the back then she got her hand between my legs and started to play around. She's great at teasing - lots of fingernails on the scrotum, teasing around the anus and blowing. Turned over and she sat on my chest while she applied the coat. No messing, she immediately swallowed my whole cock and held it there until she gagged. I asked to lick her out too so we went at it like hammer and tongs in 69. I'd say in my best 5 blow jobs ever! Came quickly (well that was the intent) and had a good chat afterwards. A really nice lady with a fabulous dirty laugh and mind-blowing oral skills. I'll be sure to return and hopefully spend more time.
