### The Premises:

the owners of Sensations really need to put their hand in their pocket and start spending some money or the punters are just going vote with their feet. Cold, barely functioning showers, squeaky old beds and horrible carpets. this place should be nicer and would reap the rewards.

### The Lady:

Suzy is curvacious, quite generously proportioned with a large pair of tits (I'm useless at estimating chest sizes so I won't bother trying)

### The Story:

My tried and tested formula for satisfaction is to receive a bit of massage, pratice my oral skills on her and then finish off in the position that most takes my fancy on the day.

I think I caught Suzy a bit off guard as I turned up at 10:30 just as Sensations was opening up. I thought they opened at 10:00. Of course if they had a website it might help! Not sure if this was the reason, but the massage was a little hurried.

However, Suzy came up trumps when I started licking her clit, getting into it and coming out with some nice dirty talk as I lapped at her labia ("I'm going going to cum all over your face" was definitely a turn on!). And cum she did, nice and hard.

This set me up nicely and after some nice oral on me I suggested she climb aboard to finish me off where I could have free access to her ample bosom.

Nice punt.
