The Premises:

Very clean, three bedroom house, with a discreet entrance. Just a few minutes walk from West Kensington underground station, but also with metered parking nearby.

The Lady:

There were three "working girls" Carla, a busty girl with long dark hair, Karen, a dark skinned girl with a nice pert bum, Amanda, a blonde girl with lovely eyes - all three were Brazilian but spoke excellent English. Plus a swinger called Diane who was in her 50s but had a lovely body and two couples.

The Story:

a daytime party in an easily accessible location. You are made very welcome from the start by being met at the door & told how things work/shown round. Valuables are kept safe & secure, and a buffet is laid on - but bring your own alcohol if you fancy a drink. Towels and robes were provided & once changed there was plenty to either watch or do. Whilst the party was very busy there was opportunity to play with almost all the girls including all the "non-working" girls. I had OWO, reverse oral & full sex throughout the party, and the other men there were polite and not intrusive. Busty Julie & Diane were particularly fun, and I came back to the time & again. I did however play with Amanda & Carla, but not unfortunately Karen - maybe next time! Well worth a visit & exceptional value - I'll be back for sure.
