The Lady:

Elegant and very sexy mature lady with a stunning body!

The Story:

Pearl greeted me with a big smile and was she was wearing a very sexy red dress. She made me feel at ease straight away, and we had a nice chat and a coffee before we got down to business in the bedroom.

After getting our kit off, I layed face down on the bed while Pearl gave me a nice relaxing massage. Then I turned over it was then onto some lovely covered oral which got me nice and hard. We then tried several positions with Pearl on top and then doggy which I really enjoyed. We had a nice cuddle and I licked out her beautiful hairy pussy. To finish off Pearl gave me a wonderful "oily wank" which was totally out of this world!

All of the way through Pearl was really chatty and she has a wonderful sense of humour. She took really good care of me on my visit and is a very down to earth and genuine person. I left feeling really refreshed and on top of the world!

She has a website which is www.pearlofguildford.com

I will certainly be visiting this lovely lady again soon!
