The Premises:

See other reports

The Lady:

Late 30s blonde stunner, all over tan, great boobs, immaculately trimmed pussy and a great arse.

The Story:

After my very grim time at Arabs (see separate report) I was still in need of the feeling that I had actually orgasmed and enjoyed it!

I chose Devon over new girl Gemma. Where as Devon was bright, friendly and chirpy, Gemma (first day) seemed really miserble and unfriendly so not wanting to have another poor punt, it had to be Devon.

Skiping a time consuming massage, Devon got me hard in seconds and gave me good covered head until I requested sex. Sex was in mish and doggy and Devon certainly seemed to enjoy having a stiff cock in her mega type pussy. She never attempted to kiss but I never asked and the secenario suited my requirements and also got me over my temporary paranoia that there was something wrong with me in the groin area as Devon was happy to suck me and really push back onto my cock!

Im going back for the half hour next time!
