The Premises:

The construction work round TCR Station caused a minor diversion and the building is horrible but the area is busy and nobody takes any notice. No number on the apartment door so slightly confusing (for me at least!) but the interior of the flat is nice and clean.

The Lady:

Just as in her photos. Small, pretty and smiley

The Story:

Wanted to check out the fabulous reviews August had been receiving as they seemed too good to be true. As it turns out I can confirm everything others have written. Enthusiastic sex - although the tit fucking was a bit too contrived to be 100% enjoyable. Everything else seemed natural and spontaneous and August seems to enjoy it all. The only thing that others may not have highlighted sufficiently is that August is a really really nice person. No complications and lovely to talk to. Great sense of humour. Lovely.
