Details of Service Provider:

The Premises:

Fantasia is simple but clean, no complaints other than the entrance being on a main road, but they answer the door quickly so as not to keep you hanging around!

The Lady:

Angela is a brunette, about 5'6" with I would guess a 12-14 dress size and EE cups boobs (which are nice and firm!). She sounds like she is Eastern European in origin and has a lovely smile.

The Story:

Entered Fantasia, Dawn and Angela were both available. I chose Angela and followed her up to the room which was small but functional.

I paid her ?20 for one service (sex) and we got undressed followed by a massage followed by her straddling me and riding until I came whilst squeezing her lovely big boobs.

Angela is great and will hopefully stick around for a bit as some of the recent staff at Fantasia do not stay very long.
