### The Premises:

A lovely secluded property with no prying eyes and plenty of safe off road parking. Inside venue was spotless with very comfortable surroundings.

### The Lady:

Mid 40's slim build with small firm breasts. A lovely warm, mature and very sexy lady.

### The Story:

Gina started by a general conversation before leading the way to an attic bedroom. Lovely teasing massage, lots of kissing and pussy licking. I had admitted I have a tendency for submissiveness so on to some spanking and tease and denial although we both got carried away and I covered Gina's hand before we could go further. My faulty hair trigger lol.
