The Premises:

We met a Caroline's house, which being her home is very clean and tidy. It is in a good safe residential area, easy to find and not far from the M1

The Lady:

Caroline is a slim, size 8?, brunette haired lady in her early 30's. She has small breasts but with large responsive nipples and a pert little bum

The Story:

This was my second vist so I knew what to expect. As requested, she was dressed to look like a secretary, with blouse and skirt and underneath sexy undies including suspenders and stockings.

We started off with me taking some new photos of her to add to her profile.

Then as she played with a toy I gave her a long session of O resulting in her reaching a climax.

Next she lubed up her pert little bum and climbed up on me, and slipped me in to enjoy some reverse cow girl anal.

As Caroline is a lady who enjoys anal I was offered a second helping but could not get hard enough. So had a bit of tight pussy then finished off over her tummy.

There was no clock to watch and I left when I was ready to go.

With easy access from the M1, seeing Caroline is much better than a stop at a service area.
