The Story:

Ria was a great fuck. Started off by sucking me (with condom) in front of the mirror. great view of her sexy ass. Lots of sexy eye-contact when she was blowing me. Then I stood her up, turned her round, and fucked her from behind against the wall. She loved it. Then moved to the bed for more doggie. Awesome, looking at ourselves in the mirror as I banged her hard while gently pulling her hair, while all the while she's looking at me with those sexy eyes in the mirror. I came very hard. Haven't been back yet, but intend to and will book her for a full hour next time.
