The Premises:

Very safe area on St Johns wood road,with secure entry.Flat was clean with shower facilities

The Lady:

She opened the door and greeted with quick kiss peck.was definitely girl on website. Asked her to dress in denim shorts and top.Very chatty and sexy girl with good curves

The Story:

Gave her the present and went for shower.She was ready for me on bed with clothes on. Performed a little strip dance and slowly took every thing off wow!!! Ample boobs lovely figure.Was a real teaser and very friendly.First round began with anal and fingered her wet pussy and clit. Pumped her arse hard and she made delightful noises which made me come inside her hole.After short break and smalltalk next round began with her legs on my shoulder and deep pussy fuck in mis.She asked me not to stop as she wanted to come as she felt very horny and boy she shook whole bed and both came one after another.One very passionate and awesome girl.Had shower and left feeling tired but happy
