The Premises:

Well reported in previous reports

However the parlour seem to have undergone extensive refurbishment and now has on suit showers in all the rooms

The premises hosts 4 rooms small in size but adequate for the purpose of ones visit.

patking both front and rear and entrances like wise can be found the front being on the main leads to Bradford road

I believe it gets busy on the front road after 6pm so i was told and i was talking to the owner who told me they do not close until 6am in the morning now

However there was only 3 girls working n the day i called in

The Lady:

Keelie is oe of the most beautifull natural girls i have met for some time

She greeted me with a great big genuine smile and a big hello im keelie

She is about 5/7 in heels and i would guess her at about a size 8 except for the reassuringly expensive looking boobs she has

she was dressed very smart yet provocative in little figure huggin dress and realy pretty shoes that was dazzling

her figure can only be described as heavenly and she has a great all over body tan

if you like the natural girl then keelie is the one unshaven below and i know because thats the first place i go

she is natural and a brunette presents her self well and as i say drop dead gorgeous.

articulate in both her manor and speech and holds a good conversation not at all shy for a new girl.

The Story:

Keelie was amongs one of the best punts i have had at any parlour not just cosmopolitan

I had the feeling i had sen her before some were but then again after i am surewith such a good time had that i would have remembered

she does xtras for those who want them but i opted for the striegth service of RO 69 and my face was very wet at a certain point that to is natural with her

she was attentive did what was asked was polite and finished me off against her leg making

comment about wet and warm and being naughty
all in all i think sorry know we both enjoyed it and it is reflected in the time we spent in the room nice
and thank you keelie XX Chef
