My place.

The Lady:

Slim, very sexy Thai girl, I think with some Japanese blood (an excellent combination!) in her 20s. A few slight blemishes on skin but her slinky sensuality more than makes up for that.

The Story:

I really like Saiyuri and have seen her several times now. She's very accomodating, willing to do more or less anything to please, and you really do feel that she wants to please. Great kisser and giver of OWO. A is on the menu but not my bag. She's got a kinky side which I like, and as well as being happy to dish out a good spanking she's also prepared to take one. She's very friendly and her English is fluent, though I admit I have had difficulties sometimes understanding what she's saying. But certainly no problems when it comes to the language of love!
