The Premises:

Very cramped up room in an apartment that would not be so easy to locate had I not received excellent instructions from Scarlett via text. Otherwise, the room and the bed were quite clean.

The Lady:

Very pretty girl in her early 20s at most. Has auburn hair that suits her pretty face.

The Story:

I turned up around 3 minutes late and was politely asked to finish within my allotted time as she had another appointment very soon.

My time with Scarlett was enjoyable but the pressure of clock watching made me a little tense. It was an enjoyable GFE for me; and the kissing was quite good, although it was not the ultra deep, wet and messy that I like.

I would recommend Scarlett, as she is a friendly and attractive girl, but what put me off was her smoker's breath which was quite apparent. On this basis, I will not be returning but I do heartily recommend her to others.
