The Story:

Decided to pop down based on 2 earlier reviews, hadn't been to Ashley's since October.

Kerry walked in the room, wearing a black piece...didn't look very happy and not nearly as pretty as the 2 reviews made her out to be...actually I was disappointed.

Also, had very flabby legs.

Started on with a snog, not much tongue action from her. Oral and ball sucking were good, so I was hopeful.

Spent about 10 mins licking her pussy...made some sounds...but.

The moved onto mish...didn't really work, she was tight but more dry, Kerry just wasn't interested. Could really slide in and out easily at all and she used no lube.

Tried a few times but then asked her to wank me off on her breasts.

All in all terrrrrible and disappointing, I've seen more life in a dead fish, this job is not for her, she said she was leaving next week, hopefully Ashley's can get someone decent in
