The Story:

I finally get to see Helen at my third attempt, having to cancel one for business reasons and another due to me having a cold. So third time lucky and well worth the wait.

Started with full on DFK, cuddling and caressing on the bed, before moved down on her for a very long, long period of pussy licking and sucking, sometimes using two fingers to add to the pleasure a very wet Helen was enjoying. DFK followed and then Helen took me in her mouth and proceeded to treat me to a wonderful oral session with lots of eye contact while teasing the end of my cock to with her tongue to taking me deep into me her mouth. Helen eventually transitioned into an amazingly sensuous, wet and lengthy 69 for both of us. Helen has a perfect pussy that just has to be licked and licked. And were still not finished with oral, as Helen turns around and straddled my face for more tongue in pussy and hands on boobs, ecstasy for both of us as Helen grinds her pussy into my mouth. More DFK and fondling follows and then on with a condom for sex in cowgirl position with Helen either upright or leaning forward with her tongue deep in my mouth. Off with the condom for Helen to start sucking me again with much ball licking and sucking and some really good tongue and mouth action bringing me close to the edge. DFK and nipple sucking follows with Helen on her back and her legs wide open, what a horny sight and one I can't resist so I indulge myself and Helen to another long pussy licking session in a semi 69 me on top position which has Helen stroking my cock and playing with my balls. Eventually I come up for a breather and immediately Helen takes my cock into her and by now I can't hold on any more, so I ask Helen how would she like me to come in her mouth, With me standing and her kneeling in front of me, followed by a snowball session and mutual swallowing was her answer.

And so we did. Fabulous and absolutely dirty. A great punt with a great girl!!
