### The Premises:

Spacious flat in the town end of Princes Street. Entryphone system at main door and up one flight of stairs, through another door and there are two flats next to each other. Sparcely decorated double bedroom. Safe and as secure as you can be at a chinese establishment in Ipswich these days. If I worked in town I'd be very happy to spend my lunchtime here and go back to my office with a big smile on my face.

### The Lady:

I have known Lingda for a couple of years now as she has worked at two of the venues that were shut down by the police. She is 25 stunningly pretty and sweet with a 'typical' petite smooth skinned chinese lady's body. Nice breasts, great ass and legs and a tight pussy. Her smile and sparkling eyes can melt you.

### The Story:

Like meeting a girlfriend that you have not seen for a while, we kissed, cuddled, stripped and played with each other's bodies for a while before moving to the bed for a great bbbj and a bit of 69. I am not overly endowed but my cock always looks and feels huge in Lingda's expert mouth. She mounted me for cowgirl which is a vision in itself and Lingda is always energetic in this position but she knows that I like to finish in doggy and Lingda can take quite a pummeling in this position. A coffee and a chat with more kisses, caresses and cuddles. Lingda visits Ipswich regularly these days along with her equally attractive friend Luxi and I would recommend you visit one or both of them. Luxi is due back in a week. This place never seems busy which may be down to the police raid at the flat in Firmin Close and which may have scared away some punters.
