### Details of Service Provider:

### The Premises:

Usual Soho walk-up, nearly missed the entrance actually. Had to wait for about 5 minutes in the little kitchen with the French maid (not THAT sort of maid!). She's was friendly enough.

### The Lady:

I've been wanting to meet her for a while and saw her completely by chance coz she was covering for someone else, so I got lucky.

Apparently she used to work at Indian Palace. She's a nice, friendly lady, tall (about 5'11, in heels), decent, pretty face, nice boobs (C cup), nice hips, a bit hairy down below but no big deal. She has a tattoo just behind her left shoulder (a tiger or something).

### The Story:

After paying, she was back sharpish. It's nice to see some English WG's once in a while. I opted for sex and position initially, but as we were getting started, she threw in a complementary oral, which was a treat.

Then onto the sex; she's not loud, in your face, but she makes the right noises. She's not a clock watcher but was nice enough to ask me how I wanted to finish so I got the hint. Really tight too, as I've found out with a lot of Indian women.

Afterwards, we chatted for a bit and at no point did I feel rushed. Real nice lady, next time, I might go for a longer session.
