The Premises:

The room was marvellous in all aspects.

The place was filled with a luxury shower, large bed, mirrors with full length and even a tube.

The Lady:

About 5'6" tall, and around 25 years old. A pleasant, reasonably attractive face. A good figure, slim and physically fit. Fully shaved down below. Breasts natural, guessed to be cup-size B or C, a perfect streamlined shape with no sag -- yet warm and soft -- perfection as far as I am concerned. Overall, very attractive

The Story:

Tamzin is an erotic stimulation for the mind.

Her attention was all mine after the shower.

The contrast of color in the reflection of the mirror was a stimulating thing.

I am glad that she is active in this field of work.

That day I have fucked her in three positions.

She also gave me a green light to suck her toes and kiss her legs.

After that she took care of my dick, balls and all the surroundings ending up with an oral without to completion.

I do not know if it is allowed to show how this oral treatment become to an end.

It is however good for la Maison in Bury to have her in their team.
