The Premises:

Danni came to my hotel room.

The Lady:

Slim,tanned very attractive with long brunette hair. Beautiful big natural breasts and completly shaven. Danni looked amazing she both classy and sexy.

The Story:

Danni arrived exactly on time not only did she look stunning she was bubbly,extremely friendly and very attentive. She kissed me very passionately and i became aroused straight away. Oral was fantastic and all i can say is she has an insatiable appetite for sex.

Wow, Danni is the full package and really knows how to make a man happy. I would definately recommend her. I will certainly see her again when i am in Birmingham.
