The Premises:

Fit for purpose flat above a shop on a main road. Plenty of free parking in nearby side roads. On bus routes, but don't ask me which ones; I don't do buses! This establishment has another branch in Greenwich. Somewhat shabby but clean. This time we used another, smaller room, also at the front.

The Lady:

Tall and slim Polish girl in her late twenties. Dark hair and also a lovely furry landing strip down below, otherwise shaved. Very friendly and obliging nature.

The Story:

I took my tongue to Maja's (pron. Miaah) pussy giving her obvious pleasure, so much so that she lubricated copiously, obviating any need for lubrication at the main course. I rather enjoyed myself as well!

Full sex was then in one of my favourite positions, Maja on her back, bottom on the edge of the bed, and her ankles up past her ears. I pumped away to a satisfying climax

Another excellent and amazing value punt at Tickle's.

Strongly Recommended.
