### Details of Service Provider:

### The Premises:

First floor flat which I have been visiting since the Seventies. Clean and fit for purpose including a bidet and the old mirror tiles on the ceiling over the bed.

### The Lady:

Short & slightly chubby Polish girl in her early twenties, billed as "busty" but not really! She just pops out her modest tits and drops her knickers, but hey at ?20 + ?2 for the maid (never seen) you really can't complain.

### The Story:

A relaxing and seemingly unrushed session. Sex was in doggy, where I took an unusually long time to get to the point near coming, and then pumped to one of my best orgasms for a long time.
