### The Premises:

This place was upstairs above shops, lots of stairs and clean.

The room was ok.

### The Lady:

A sexy blonde in her 20s.

Charlotte has an attractive figure with a 34DD cup measurement I think. She has shapely legs and a pleasant bum. Charlotte has a quite pretty face which is accentuated by her fair skin, long straight hair and greenish blue eyes.

She reminds me a little bit of Angel Long.

### The Story:

It was nice to see her after I took a shower for the reason that I am a fan of Angel Long.

She is not that raunchy, but their physical similarities are a stimulation for me.

She gave me a massage with her long hair, tits and even kissed my back.

I was accepting the moment and being able to relax.

She gave me oral with protection while I played with her hair.

It would be even better if she did this without protection.

Then it was time to fuck her.

I could do this position of doggy style for ages.

Her behind is good for my dick.

It was however not the purpose to ejaculate this way.

I asked her if it was possible to come on her face.

Her answer gave me a feeling of enjoyment

She gave me in first instance a handjob with some oil.

I finished her job by jacking of my dick in her face.

These are the best things to remember.
