The Premises:

Not been here for about 4 years, much improved since last visit, very clean, nice large reception area room very clean, shower in room as well. No door fee.

The Lady:

Size 8 brunette, 5' 3", brown eyes, tanned and toned. Jade is stunningly attractive, I knew as soon as I saw her she was the one for me and I did not regret it. Lovely personality, chatty but not overwhelming, felt very relaxed with her, sort of hit it off straight away which is always nice, you forget that you are paying for the experience.

The Story:

I opted for reverse oral, oral with and sex. Although for ?80 I could also have had oral without and 'proper kissing' as she called it. I would assume these services are at her discession. Money was short on this occasion but will definitely have the full GFE next time. Jade has a gorgeous pussy and nice size clit, not too small, not too big. I could have stayed licking and sucking all day but eventually Jade had to stop me, she said if she came her pussy would be too sensitive for sex, so on to sex it was, Jade on top at first and then to mish licking her lovely nipples as well. I would visit Jade every Monday if I had the cash, one of the best for me.
