### The Lady:

Zoe is very nice, she looks about 15 with long ish hair she is a Northern Lass and is extremely friendly and pleasant

### The Story:

I think she is very new to this line of work and I am afraid that despite being extremely nice she will not get many folk seeing her twice. She offers (on the website) DFK, in fact she does not because she gets cold-sores, so OWO also offered as part of the GFE is now with a condom (I insisted) she does like RO but her hygiene is not the best!!! but she does a good cow-girl. After round one (having booked for an hour) she jumped up and went for a shower, so my hour was 30 mins for ?150 !!!!!

Dont think so
