### The Premises:

Well known Annabellas venue close to central shopping area. parked in my usual (premium rate) place.

### The Lady:

Long blonde hair, beautiful firm breasts with very suckable nipples. Three diamonds in her cleavage (a first for me) - how do they stay there? Also a tongue piercing and several tattos, some in interesting places! Fully shaven.

### The Story:

Some confusion reigned over my booking - when I phoned to confirm I was told I was booked with another girl and that Pippa had a booking at 11.30 so I could only have a half hour. When I arrived I was at first told my booking was for 11.30 - problem sorted eventually but all a bit strange and I was not then prepared for the full hour. Pippa herself is a very friendly and open girl, not at all shy, new to escorting but obviously not to sex, and I think is escorting largely for fun. OWO was offered but not accepted on this occasion as at my age I have to savour my erections and orgasms! Gave Pippa a massage to break the ice, which she seemed to enjoy and find relaxing, then lots of DFK, ball sucking, fingering etc. Unfortunately she paid a little too much attention to my cock so I did not last as long in cow-girl as I would have liked. Finished off with massage, cuddling and kissing. Recommended, probably best for those with better stamina and staying power than this bus pass holder!
