The Premises:

Office block with parking out front. Not discrete plenty of signage. But on industrial estate so no heavy walking traffic. Nice clean wet room, massage table. Friendly reception.

The Lady:

Curvy mature lady, magnificent firm breasts with lovely nipples that come out to play.

The Story:

Tried the Nuru massage on offer. Started with shower and massage with opportunity of reverse massage which I eagerly agreed. Kim seemed to enjoy my oral finish. Shared a shower and then the Nuru experience. Very slippery and sensual. Finished with covered oral and Kim on top. V A very pleasant and enjoyable hour with Kim with whom you can have sensible conversation. Will be back to compare the soap suds option.
