The Premises:

Her flat is clean and tidy. Nice room although no en-suite shower but that is ok.

The Lady:

She is much better than her website pictures. I wasn't disappointed and she has a lovely but wicked smile.

The Story:

I was a bit intimidated when I first saw her as she was really stunning but her smile put me at ease and she is really relaxed and nice to talk to. Sorted out the money then she lay down in bed with me and started DFK which is superb. Then on with the condom and gave me a really nice and deep blowjob with plenty of eye contact. I was really turned on and so we proceeded into missionary. Stayed that way as there were lots of eye contact and encouragement which got me going even more. She was really good and suffice to say, I could not hold back any longer and shot my load.

Afterwards she gave me a nice massage and we had a really friendly conversation. She is open to discuss just about anything and its like talking to a beautiful mate that you can shag. Will definitely be back. Perhaps I will try her offer of a threesome with her friend Isabella. I guess I better start saving.
