### The Premises:

Standard & clean

### The Lady:

Small & perfectly formed. Quite young with small pert breasts.

### The Story:

I'm quite surprised Shanaz doesn't have more positive reviews. She has a super combination of sweet innocence in conversation and a really naughty sensual side. She has the best oral skills in the house bar none and is able and willing when it comes to various positions she's willing to adopt.

The girls at IP are by the book, but Shanaz showed a sensuality that made the punt all the more exciting. Within minutes of leaving her I wanted to go back to her. Told her i'd be back next time with more time (and cash)!
