The Premises:

Brooklyns, well reported.

Clean, tidy.

Own private car park + off street parking.

Lounge area remains too public for my taste - Alicias and Excell do it much more discreetly.

The Lady:

Very attractive Thai girl, early 20's.

Petite, slim, dark haired.

A little reserved and quiet, but friendly enough.

Lovely natural breasts, fully shaven.

The Story:

Can't understand why Anna Mae is not more widely reported compared say, to Fallon and Astrid - although I have yet to have a session with either, I've seen both and although they are very attractive,

Anna Mae is equally so.

Reasonable massage, with a very light touch.

Good oral(with), enjoyed her on top to climax.

However, only light kissing and no fingers inside.

Nevertheless, a great experience with a very attractive young girl!
