The Premises:

Local chain hotel. Does what it says on the tin.

The Lady:

Claims a plausible 38. Polish. Very haggard looking in decent light. A bit of make up would do wonders.

The Story:

Truly awful. I think any part of me touched by her lips (and there weren't many, just one) is likely to be nicotine stained. This lady clearly smokes - a lot. Straight to action with a passable but uninspiring BJ then to sex. Only mish on offer. I think this is the punt for which the phrase "wham bang and thank you maam" was invented. I note there are two independent ladies in Chelmsford using the name Victoria - I wish I had gone to the other one. I know nothing about her, but it can't have been this bad.
