The Story:

First time using Maxes Angels, i'm fairly new to all this anyway. Maxes was recommended to me a while back but decided to book Lexi at the last minute and while i wasn't disappointed (as in i shot my load!), I won't be returning. Maxes is supposedly the creme de la creme but from this experience i'd rather stick with the stag nights i often frequent! I would have thought that when paying premium prices, you get a premium girl and this was far from that. Her hair was a matted mess and she didn't have on enough make up to resemble the babe in her pictures. Definitely not a 'class piece of arse'. A nice enough girl, very bubbly and chatty but the whole thing seemed rather forced and put on, she just tried too hard which was off-putting and i ended up leaving as soon as i shot my first load. perhaps i'm just not used to it! I will try Maxes again, as i'm sure there are better girls here so i shall not be put off just yet! I hear there are some stars like Julia and Sophia but they weren't available, so next time I post, I hope it will be of a more positive tune.
