The Premises:

Nice and tidy, second time I have been and always made to feel very welcome. Felt safe and discreet and didn't worry about my car at all.

The Lady:

What can I say..... oh my fricking god, I adore this woman, stunning figure, beautiful eyes and an amazing smile. I won't go into descriptions of a private level, but I had no complaints and I doubt anyone else would too, she oozes confidence and sex appeal x

The Story:

An hour of everything, lots of kissing, caressing and the most wonderful oral I have ever experienced, feeling her soft breasts under my firm touch will always stay in my mind. Sex was again nothing short of incredible, deep stick, followed by Gia on top and also a last minute bout of doggy. I'd like to think I had something to do with it, but she was very enthusiastic and got very wet. Wow wow wow, if I could have Gia all to myself I would and she knows it. A lovely genuine lady that will simply rock your world
