### The Premises:

Usual quiet haunt for that time of the day, punters and especially or more importantly the ladies. Come on get your act together will you, as the early bird is meant to catch the worm and more often than not the worms are not about..

### The Lady:

Best of the bunch of the 3 that were in .Tallish curvy blonde in her mid 30's.

### The Story:

First time in a while i have picked a scottish girl in here, obviously no choice this time, or maybe if i had waited another 45 mins more choice would have been available. Very enthuasaistic girl, straight down to owo, no hesitation.. thats what we all pay for and expect in here. Other girls take note. In between gulps i asked for cim and was accepted. onto a massage to relax me and plenty attention to my ass and balls which quickly got me hard again. More owo and on with the rubber. Very good hard banging which was vocal for her and a few posistions. one cum is enough most days now for me so after a few hard bangs i was knackered..

yes after needing that for a long time i came away satisfied for a change.
