### The Premises:

Very safe flat in central London, short walk from the tube

### The Lady:

Very beautiful, as seen in photos but definitely even more so in person

### The Story:

On arrival I was greeted warmly at the door and offered a soft drink and we had a chat before going upstairs, where a shower was available (and much appreciated after the tube) before going into the room with the massage table.

The massage itself was amazing and I'd struggle to find suitable words to describe it, but you can very much tell that Imogen is very good at what she does, and knows exactly what she's doing - I discovered some new sensations from places I didn't even know could feel so good, and my whole body was left feeling more relaxed and comfortable than it has in a long time. It ended with a very happy ending, and I left with a smile on my face for the rest of the day.

Imogen is a lovely girl, and I enjoyed every second of the time I spent with her, treat her well and she'll give you an unforgettable time!
