Mature, curvy figure. Blond hair, nice boobs and bum. Especially recommended for guys who like the older woman.

The Story:

A visit to Julia is like visiting a favourite mistress. She welcomes you in, offers you a drink and you're taken to a lovely boudoir. Julia is very touchy feely and enjoys lots of kisses. She is into most things (except anal) and has lots of toys. She never rushes you. As you may guess, I've been to see her many times and always enjoyed my time with her.

If you get on well with her ask her about her special days with her friend Lynn. That is an experience you will never forget, and for all the right reasons.
