The Story:

?Better then the Gym?

Another great party, as always!

Had a nice walk through the park, arrived at party central to see Odysseus, a great guy! Hope you had a safe journey home and there weren't more sabotaging cows on the tracks Was greeted by Dwayne, and Antonia, deposited my valuables, got changed and showered. Went upstairs and chatted with Jewels, Lisa and Izabella. Turned 4 and I followed Lisa down the stairs in to the room closest to the changing room. Disrobed, got on the bed and she got on me and rubbed her naked body up and down mine, i love it when she does that She gave me a great hj and bj, what?s not to love? Every girl has her own techniques and they?re all flawlass imo. Then i gave her some chuppa Then i asked her for some snoop doggy dog and i nearly busted right there so i stopped for a few seconds and Lisa was very accomadating and didn?t mind at all. We switched to cowgirl and she seemed to enjoy that. Then we did mish for a bit but that was too much for my 1st of the day, took off the condom and came on her stomach and then wiped her off, i needed a shower after that hot sesh!

As soon as i come out of the shower, I see Jewels alone so i didn?t even go for a rest, we went to the swing room. I told her i had just cum and wanted to give her some chuppa but she said she was sensitive, lucky 1-3ers! She gave me her fantastic PSE hj/bj combo, spitting on my cock, oh Jewels, you?re so naughty and you know i love it don?t you?! :D It was obviously too soon for me to cum again, even with her best efforts so i went upstairs for a drink and chatted to some sound guys. Went downstairs again to the other bedroom by the downstairs door i believe. I went and played with Victoria, who helped my cock get hard again with her mouth and hands. Then i gave her some

chuppa for a bit and Izabella playfully spanked my bum We switched to doggy for a while. Then Izabella told me to lye on the single bed and she sat on my face as Victoria wanked me off, it was pure heaven. Iz held my hands to her boobs and bum while i lost myself in her pussy. It was too much and I don't even know where the cum went but i know it came and went. Had to go upstairs for a drink and a little rest.

Chatted again to some more guys then saw Antonia on the stairs hungry for some cake. As was I, for hers. Whenever she's hosting i wanna sneak her off for some chuppa :p naughty i know So that's what i did to her, she did tell me that she had just cum and to be gentle so i happily obliged for as long as she let me before wanting to please me. She gave me a really soft and sensual bj and hj, didn't wanna stop her but i also wanted that bum in doggy! Her back arch and pushed bum in to your cock is very sexy! Eventually my legs couldn't take it anymore and i had to rest for a few mins. I really wanted to CIHM (H = her) but didn't have any for her yet :(Quick drink/rest then went downstairs and wanted to find Lorena, Lady Em said she had just gone on a break so back i went to the swing room with Jewels to try and give her a present. Not soon after Lorena ?happens? to come in to the room as well (cheers Em) Jewels went to the bathroom for a bit and i had a really GFE relaxed convo with Lorena. She's a very naughty angel She told me i looked 12 joking around heh, she's got good banter! Jewels comes back and i get Lorena to sit on my face while Jewels went to work on my cock. Pure heaven again. It seems the Grinch had stolen my present for the girls.. I just couldn't get that 3rd pop so i went upstairs for more rest and a drink.

Chatted more to the guys and met Stevie B, who i thought was Moss in that chair, still haven't seen him yet. I recognised SB from his envelope though. Hope you had a good time also! When a guest told me there was 25 minutes left i raced downstairs and showered and everyone was now in the room closest to the changing room, need a shorter name lol.. Monique asked me to play and who am i to refuse the lovely lady?! she gave me a lovely soft and sensual bj and hj getting me back to attention. Jeweles was to the left of me stroking my chest and gently pinching my nipples as i carressed her flawless body. It seemed the 3rd pop wasn't going to cum, even with all the lube, so i tried standing up and drying my cock off to give it more friction. Monique stood infront of me as i wanked away and now Lorena stroked me as i stroked her with the other hand. I tried my best and eventually did cum on Moniques boobs

Showered, changed and said farewell for probably a month until i get paid again unfortunately :(So thanks and love to; Lisa, Jewels, Victoria, Izabella, Antonia, Lorena, Monique, Dwayne and the fab Lady Em! Hope Syd gets well soon coz i missed her! I'd bring you some chicken noodle soup Next time i see Jewels or Antonia when they're partying i'm giving you naughty girls your presents x
