Tower block - not a luxury area but felt fairly safe, room quite tidy.

The Lady:

Tall blond mid 20s, reasonably slim.

The Story:

She led me in and then disappeared for about 10 mins. I suspected there was a boyfriend in the next room. She returned but was quite detached and showed no enthusiasm. Eventually performed a covered BJ on my rapidly wilting member and managed to revive it - during which she kept regularly sniffing - said it was a cold, but was it?

After 20 mins I had had enough and beat a rapid retreat.

I've never reported here before but felt I had to write this - a thoroughly depressing experience.
