Details of Service Provider:

Profile Name: The Head Office

Website: <http://www.thehead-office.co.uk>

Phone: 01782744004

The Premises:

Head Office well reported as pleasant and clean venue. Convenient rear entrance and safe on-street parking nearby.

The Lady:

Saw Ashley a few weeks ago; gorgeous blonde with a tanned hour-glass figure, and the most perfect arse you could dream of. 25. Pure perfection.

Chelsea, at 19, a little younger than what I usually go for. Very sexy in a girl-next-door kind of way. About 5'9", brunette, quite curvy with lovely smooth skin. I loved the thin landing strip and her cheeky expressions! For some reason, she seemed strangely familiar...

The Story:

As I'd promised, returned to see the flawless Ashley. She looked tremendous in her lacy black lingerie and hold-ups, and I just couldn't resist fondling her arse as we kissed. I recalled she suggested a two-girl last time and I asked if she wanted to, or rather have an hour with just the two of us. She had a booking so Chelsea was invited to join us. I wasn't disappointed.

Watching the ladies kiss was wonderful and both gave superb owo as the other kissed me. I then watched Chelsea eat Ashley's pussy as I kissed her; Ashley kisses like a lover and really gives the impression she's into it. The way she looks at you, with an expression of pleasure is such a turn-on.

I had Chelsea missionary and she kissed Ashley, and then vice-versa. Chelsea has such a naughty smile and expressions, and she lay back with her legs open and I lay on my back between them. Ashley mounted me and rode me as she kissed Chelsea's pussy. Amazing.

Then, the grand finale. The ladies lay kissing on the bed as I came all over their mouths. I watched them kiss with my cum all over their lips and tongues. Incredible.

I expected to pay more and I was aware that Ashley had a booking so I didn't hang around, not that either of the ladies were rushing or clock-watching in any way. I was just amazed at the experience.

I'd see both ladies again in a heartbeat, on their own or together. I think Ashley knows I fancy her something rotten. Just hope you really did like the gift and wasn't just being polite!
