The Premises:

Rather shabby downstairs but much better in the "work rooms" upstairs. We used the smallish back room but it is clean and fit for purpose. Plenty of free parking nearby and on a bus route.

The Lady:

Voluptuous Czech girl in her twenties. Very friendly and accommodating nature. With her clothes on I thought that she was carrying a little too much weight, but once she disrobed she was just nicely curvaceous. She has really good plump but soft breasts; definitely all natural.

The Story:

Another excellent session at Honeyz. Jenny took her time and was pleasantly accommodating. Plenty of foreplay with sex in several positions, culminating, literally in Doggy.

Definitely Recommended.
