### The Story:

What a way to start a bank holiday 30 minutes of adult fun with a gorgeous lady, came in the room and in no time at all she was in her birthday suite. Nice pair of enhanced boobs to suck on and a nice tasty pussy which my tongue enjoyed and later my dick. Millie didn't have any reports until now which I find strange for a lovely lady who gives an excellent service, at the end she asked if I wanted a massage but with only 3 minutes left wasn't really worth it. Shows she's not a clock watcher. Come on guys if you've seen Millie get a report in and if you haven't get and see her you won't regret it as they say money well spent. When my heart beat gets back to normal I will be back. Once again babe thanks
