The Premises:

Clean and functional flat in CB2 area.

The Lady:

Size 14. At first I thought this was a bait and switch but looking at the photos again I think it was the same girl but the last couple of years have taken their toll. She does not match how she describes herself on the other site and on the pictures she has sultry, dusky look, unfortunately that has now gone. If I pay for sex I want it to be with someone out of my league not with someone in a league below.

The Story:

When she opened the door I should have walked, my mistake for ignoring my instinct. I paid, went to the loo came back and she was naked on the bed, no sensual undressing here. Basically in a rush to make me cum, tried to slow things down but could see this was irritating her. Had round 2, then dressed and left after 40 mins. This was a poor quality experience and kicked myself for not walking out on the drive home. I think I would avoid anyone working at this flat.

I don't blame the girl, we had a short chat and she seemed nice enough but I blame myself for staying
