Clean, modern apartment in central MK with plentiful parking nearby.

### The Lady:

Cute bubbly 19 year old blonde, around 5'6" tall, with pert B/C cup breasts adorned with some sparkly sternum surface piercings in her cleavage and a couple of discreet tattoos.

### The Story:

Considering it was only Pippa's 2nd day at as an escort at Annabellas she appeared very composed from the moment she entered the room in her lingerie and heels. After dealing with payment she offered me a massage but I asked if it was okay if we could start off with some sex, as I wanted to cum twice during the hour, and she said that we'd save the massage for later.

We lay down on the bed for some FK before Pippa straddled me and began kissing my chest and abdomen. She then moved down and proceeded to give me one of the best blowjobs I've ever had, combining OWO with some fantastic deep throating plus ball licking and sucking. I asked if it was okay to CIM which Pippa said was fine and she continued to suck me as I ejaculated into her mouth swallowing every last drop, then carried on with the OWO for another wonderful minute or so as I shuddered with pleasure!

We lay on the bed and chatted for a few minutes whilst I recovered my senses before Pippa was once again playing with my todger and giving me more great OWO. I suggested we move into 69 position and she was soon grinding her tight little pussy into my face whilst I fingered and licked her. Pippa then asked if I wanted to have sex and put the condom on me with her mouth before some doggy and spoon position followed by her riding me in cowgirl which had the bed rocking.

The hour was now drawing to a close so Pippa asked how I wanted to finish and I asked for some more of her fantastic OWO. I placed some cushions on the floor in front of the large wall mirror so Pippa could kneel down comfortably and I'd get an even better view of this lovely young lady as she once again gave me some of the best deep throat OWO I've ever received. Pippa took my cum in her mouth and swallowed it then stood up and we kissed before it was time to part company.

A superb raunchy punt with a young lady who certainly has the talent to become a star in the industry.
