Previously reported. Small tower block, bikes on stairs. Third floor.

The Lady:

Nina is a petite appetising girl with small breasts and a firm bum. She really is good enough to eat (so I did).

I have previously had a good experience at Playgirls with Nathaly who isn't there now. I submitted an FR. Nathalie is Similar physique to Nina but was quite passive.

The Story:

Nina, however, is VERY active. Deep french kissing, loads of body contact, totally up for it, she is either very passionate or an amazing actor.

I opened the window blind (on the top floor of a tower) and enjoyed bright sunlight on our bodies - well hers anyway!

As I kissed, fondled, licked, fingered and fucked her she became convincingly wetter whilst her shudders and moans were a huge turn on - and I hate fake passion.

She was up for any position, any pace. It was only half an hour but afterwards we flopped, exhausted and laughed. A great experience.

Her english is limited but her body language is fluent. A real Polish sweetie and I loved her.

This was the second time I had seen her. The first was great, the second even better. I didn't leave my watch in the shower this time....

She is up for an MMFor MMFF so I am looking to see her again either by myself or to also enjoy watching her.....
